

Eureka Conferences Inc. announces Drug Discovery & Therapy World Congress 2014

Boston, MA, 11th March, 2014 Eureka Conferences is pleased to announce Drug Discovery & Therapy World Congress 2014, scheduled to be held from 16th - 19th June, 2014. This event is co-hosted with the Global Biotechnology Congress.

This unique 4 day international event will provide a platform for discussion and learning about international breakthrough developments in drug discovery and new therapeutics. These conferences aim to attract a large number of international attendees, providing you with an excellent opportunity to network market your company and products and develop new business prospects.

The event visualizes to host:

- 1000 leading experts including NOBEL LAUREATES to present talks on different conference tracks
- 800 poster presentations for researchers & upcoming scientists
- 20 exhibitors at its commercial exhibition

Eureka Conferences Inc. is part of an international group of event organizers that specializes in arranging international conferences which has successfully organized several conferences in Dubai since the last 6 years including Biotechnology World Congress and International Conference on Drug Discovery and Therapy (ICDDT). More than 25 Noble Laureates and over 6000 delegates have participated in these events along with several renowned pharmaceutical and biotech organizations.

You may please view the details and comments of delegates at the conference website www.ddtwc.com & www.globalbiotechworldcongress.com
